

January 2021 Minutes

1. As we all know, covid restrictions as enable us to have a proper meeting.
2. We want to welcome all new and existing members to the club.
3. Treasurer report:

January opening balance \$15,399.87

January closing balance \$20,625.01

We have sold 21 day passes for the month of January

Expenses:

Insurance, DL Macdonald excavation, repairs to groomers, culvert repair, groomer hours, purchase of additional passes from city press.

4. Events

Unfortunately, we have been advised by EHOU to lock up the club house and shacks due to the stay-at-home order. But we are still fortunate to be able to keep trails open.

At this time, we need to cancel the following events 1st poker run and the torch run.

5. Trail Maintenance update:

Just a reminder there is a trail to the club house.

When trails are closed, we kindly ask to stay off of them! This is a privilege we get from landowners and we do not want to lose them. We have had lots of complaints at the beginning of January.

Maintenance and repairs done on the groomers for upcoming season.
